

**Contract:** Non-Executive Director  
**Start Date:** As soon as possible  
**Terms:** Voluntary position, minimum 1 year commitment

## About the position

We are seeking to increase the membership on our Management Committee. In particular, we are interested in applicants that can demonstrate knowledge or familiarity in:

- Finance
- Volunteer management
- Fundraising

A Management Committee is similar to a board of trustees. The Committee meets quarterly and are responsible for making sure the farm is running well and is doing what it was set up to do.

Typically, members stand for election to the Management Committee. However, as this is the first year we have had this structure, we are looking to co-opt members onto the Management Committee to serve until the next Annual Members Meeting. Members of the Committee may stand for election to continue the position if desired.

This is an exciting opportunity for someone with good business experience, looking for a responsible role in a young, vibrant and successful enterprise.

Members of the Management Committee should be organised, pragmatic and sensible, with experience in business. We expect the Management Committee to demonstrate wisdom, fairness and support the farm's ethos.
